SUMMARY

Innovative Web Developer and Software Developer with proven abilities in both front-end and back-end tools, as well as in Data Structures and Algorithms (DSA). Capable of working in collaborative environments while staying focused on achieving high-quality results under strict deadlines.

EXPERIENCE

MANYVERSITY ACADEMY | INDUSTRIAL TRAINEE

June 2023 - Aug 2023 | Lucknow, India

- Completed industrial training in React and in Front end tools at ManyVersity Academy, mastering fundamental concepts and techniques from basic to advance level under the mentor ship of real-world developer's.
- Collaborate and helps in building a real-world project that uses API integration, user Authentication and many more features.

PROJECT

STORE PAD | MONGODB | EXPRESSJS | REACT | NODEJS | PASSPORTJS

June 2024 - July 2024

- Developed "Store Pad," a full-stack web application using the MERN stack for managing and organizing store inventories.
- Implemented robust authentication and authorization with Passport.js, ensuring secure user access and data protection.

FRESH FEEDS | JAVASCRIPT | TAILWINDCSS | REACT | MOBILE RESPONSIVE | REST API | SKELETON LOADER

May 2023 - July 2023

- This is a news website project. The goal is to create a dynamic platform that easily brings together news articles from various global sources. The main focus is on quickly delivering these articles to users in an optimal and engaging way.
- Additionally, I implemented npm skeleton as a loader and have experience with responsive and mobile-first design principles

QUIZ NEST | TAILWINDCSS | REACT | AUTHENTICATION | FIREBASE

July 2023 - Aug 2023

- This is a dynamic Quiz web application with strong form validation. Users can participate in the quiz by logging in or signing up.
- You can earn credit and then your earned credit score is then displayed at the end of the quiz, showcasing your achievement. The platform seamlessly combines the interactive quiz experience with secure authentication mechanisms.

PORTFOLIO | CSS3 | REACT | GSAP ANIMATION | MOBILE RESPONSIVE

Feb 2024 - April 2024

- I have build this portfolio to showcase my skills in web development tools and technologies.
